

Lacombe Beef Judging Team Places Second in District Eliminations

Red Deer Team Takes Beef Judging Contest; Erskine Pair Take First Honors in Swine Judging Competition

Beef judging team of Geo. Threlfall, Lacombe, and Chas. Blackmore of Blackfalds, representing this district in the district elimination of judging teams from the Boys and Girls' Livestock clubs of Central Alberta, placed second to the Red Deer team Saturday. The elimination competition was held at the experimental station here, Howard Henderson and Gordon Towers of the Red Deer district and Carl Morrison and Jack McEladrine of Erskine will represent Central Alberta at the provincial elimination to be held at Edmonton this week as a result of the competition held here. The Red Deer team took first place; from a field of five teams in the beef judging contests and the Erskine team placed first in the swine judging competition.

To Build New Store Here Next Spring

A new store will be built on Norton Street on the lot now occupied by Fred Taylor's Tire Shop, according to information received by The Lacombe Globe on Tuesday, J. H. Jardine of Red Deer has purchased the lot from Dr. E. M. Sharpe and will start tearing down the building as soon as possible. A full-sized basement will be started this fall in preparation for the actual building, to start early in the spring of 1939.

Mr. Jardine, interviewed by a Lacombe Globe representative, would not divulge what goods would be handled by the new store. The store will be privately owned and operated. Mr. Jardine told the Globe.

The new owner was for some years the proprietor of Jardine's Grocery in Red Deer and sold that business to co-operate in August. He was formerly a merchant in northern Alberta.

United Church Concert Held Tuesday Night

Tears and laughter followed each other in quick succession as Miss Therese Seigel, organist, of Calgary, in a concert on Tuesday evening, presented pathetic and humorous readings to an appreciative audience.

The concert was held in the United Church and was sponsored by St. Andrew's senior choir. Specially featured by Miss Seigel was a reading entitled "The Three Godfathers," which scenes were vividly portrayed by the organist.

During intermissions musical numbers were given by members of the choir, including a soprano solo, "Love Came Calling," by Mrs. John MacDonald; a bass solo by R. Rhind, "Off to Philadelpha," and a ladies' quartet, "Works of the Hired," by Betty Wilks, Jean MacDonald, Betty De Long and Margaret Watt. Rev. A. L. Carr officiated as chairman.

Hallow'en Great Night for Kids—And Policemen

The night of Monday, Oct. 31, will be a hallow'en for the children—it's Hallow'en! The kids are expected to be out in full force on their quest for Hallow'en treats, such as apples, oranges and peanuts, and the old cry of "Trick or treat" will be the password.

As usual, extra patrolmen have been engaged by the Town to see that no damage is done to property, and parents are requested to warn their children against destruction of property in any form.

RETURNS FROM LAMONT

Miss Jean Reeves returned to her home on Sunday after spending a week visiting her sister and friends at Lamont. She was accompanied home by her sister Joy, who has completed her training course in nursing at the Lamont Hospital.

Of Interest To Business Men

A matter of importance to Lacombe business men will be discussed at a specially called meeting to be held in the Town Hall (over the Fire Hall) next Monday night, Oct. 31, at 8 p.m. prompt. Young business men are especially invited to be on hand.

Fire Sweeps Bentley Farm

(From Our Own Correspondent)

BENTLEY—Fire swept through the buildings of R. Huistel's farm, 3 miles southeast of here, Saturday morning, causing the loss of a horse barn and a cow barn, together with a number of pigs.

The confident manner in which the boys proceeded with their examinations of the animals was a testimonial to the efficient coaching and splendid work of the district agriculturists, F. H. Newcombe and B. J. Whitehead, under whose supervision this club work is carried on.

The winning teams here will compete in Edmonton at the provincial contests, the winners of which will enter for Toronto to represent Alberta at the Toronto Royal Winter Fair competitions. W. J. Elliott, supervisor of Youth Training, Edmonton, was in charge of the competition. Others present and giving assistance were Arthur Newman and John Norway of the Dominion Livestock Production Service; F. H. Newcombe, Red Deer, and B. J. Whitehead, Stettler, district agriculturists; H. Reed, superintendent, and H. E. Wilson, assistant superintendent of livestock, Lacombe.

Petition Returns Strongly Against Formation of Larger School Unit

Larger School Unit Already Effective Here

The Red Deer Large School Unit is already in effect throughout this district—This was the information received by a delegation which interviewed Premier William Aberhart, Minister of Education, on Tuesday. Six municipalities were represented in the delegation which travelled to Edmonton to submit the petitions which have been circulated throughout the districts affected by the inception of the Red Deer Unit.

O. W. Hueppelheuser, who represented the Municipal District of Crown, stated the only concession Premier Aberhart would make was to place this school unit on a probationary basis for a tentative period of two years. It is understood that at the end of this time, should the ratepayers of this district feel dissatisfied with the larger school unit the scheme would be dropped.

The petitions submitted to the provincial government representatives showed a total of 1614 against the scheme, with but 133 in favor. Mr. Hueppelheuser informed that taxes within the larger school units would not be increased, unless the ratepayers increased the mill rates themselves.

Meetings are being called throughout the Red Deer Large School Unit (consisting of approximately 85 schools) to elect members to the board of the school district.

Mrs. A. E. Cross, of Calgary, Gives Pleasing Address

Mrs. A. E. Cross, Calgary Diocesan President of the Woman's Auxiliary to the Missionary Society of the Church of England in Canada, was a visitor in Lacombe on Tuesday, Oct. 18, when she addressed a gathering of women in St. Cyprrian's Hall.

Mrs. T. H. Helly-Lewis, local President, introduced the speaker, telling how they had both entered the meetings of the Dominion Board at London, Ontario, recently, and wished to share that inspiration with members.

Speaking of the organization and work of the W.A. in Canada, Mrs. Cross told how, in 1885, seven women petitioned the Missionary Society for a charter to act as a Woman's Auxiliary. It was granted, and the work has grown to such an extent that now women in parishes all over the Dominion share in the worship, work and study which comprise the Auxiliary program, under the motto "The Love of Christ constraineth us."

Following the singing of the W.A. hymn and the benediction, a dainty lunch was served, Mrs. Herbert presiding at the tea table.

A pleasing feature of the afternoon was the presence of a group of W.A. workers and the Rev. Pierson from Rimbey, and Mrs. A. R. Eagles from Golden, B.C.

Fire Protection Discussed At Bentley Board of Trade Banquet Monday Night

Good Turnout Hears Agitation for Raising Water of Gull Lake; G. E. DeLong Delivers Interesting Address

An enthusiastic meeting of the Bentley Board of Trade was held in the Bentley Community Hall last Monday night. The attendance of 64 included several members of the Lacombe, Rimbey and Red Deer Boards of Trade. President T. H. Hunter occupied the chair and several matters of business came up for discussion. It was pointed out that the recent fire three miles south of town brought home the fact that no fire-fighting apparatus was available in the town to combat any conflagration that might break out. It was felt equipment such as even fire extinguishers should be provided for the protection of buildings both in Bentley and the immediate farming district. The council of the village will be requested to investigate the matter.

A long drawn out discussion will be made, to determine whether the plan is feasible, and what the approximate cost of such an undertaking would entail. Harry Brownlow, R. E. Chwen, Tom Lorimer and G. E. DeLong of Lacombe also spoke on the subject.

Delegates were appointed to attend a meeting of the Associated Boards of Trade in Alberta to be held at Red Deer. George E. DeLong, assistant superintendent of the Dominion Experimental Station, Lacombe, was the guest speaker, and gave a very enlightening address on the "History and Romance of Wheat."

A splendid banquet preceded the meeting.

L. S. Catter of Rimbey reported that in view of the agitation raised, the Dominion Government had assured an engineer's survey will be made, to determine whether the plan is feasible, and what the approximate cost of such an undertaking would entail.

Verna Vaughan Breaks Arm in Pony Accident

Verna Vaughan, 12-year-old daughter of Mrs. Ada Vaughan, is in the Lacombe Hospital with a broken arm as a result of an accident which occurred on Saturday afternoon. Visiting friends near Lacombe, Verna was given permission by her hostess, Mrs. C. Dooley, to ride a pony which was being ridden by a young son of the family. She had barely mounted when the pony bucked and she fell, striking her arm on the ground. It is expected she will remain at the hospital for some time.

TAX DISCOUNT PERIOD ENDS NOVEMBER 1

Taxpayers of the Town of Lacombe are reminded that the discount period on current taxes expires on Nov. 1. All those wishing to take advantage of the 10 per cent discount must pay their current taxes by that date.

Social Creditors To Hold Convention

Mrs. J. Pringle, D. I. Perkins and D. S. Thompson were appointed delegates to represent the local Social Credit Group at the constituency convention to be held in Lacombe on Monday, Nov. 7, beginning at 1:30 p.m. These delegates were chosen at the regular meeting of the group on Monday evening, Oct. 23. It is expected that D. B. MacMillan, M.L.A., and Norman Jackson, M.P., will attend the convention, and be vice-presidents of the evening. Hon. Solon Lou, Cabinet Minister.

Election of officers for the ensuing year resulted in a return of the retiring slate, i.e., T. F. Roberts, President; W. J. Trotter, Vice-President; J. Pringle, Secretary; Treasurer.

Mr. Roberts gave an informal talk on the treasury branches, which was followed by discussion.

Ski Club Formed Here Tuesday

Lawrence Campbell was elected president of the newly organized Lacombe Skiing Club at a meeting held in the Town Hall Tuesday night. Other officers elected were: vice-president, Mrs. Frank Adamson; secretary, Bert Ford, and treasurer, Jack Morrison. It was suggested that members of the club endeavor to obtain the use of the Lacombe Golf Clubhouse for the winter months and a committee of three, consisting of Jack Morrison, Horace Selzer and Frank Adamson, was appointed to contact the golf executive in this regard.

It was also suggested that a ski contest be held in Edmonton be brought to Lacombe for a week-end during the winter for the purpose of learning first-hand the proper ski turns.

Hospital Donation Day Tea Brings 51 Contributions

Donation Day at the Lacombe Community Hospital brought a splendid contribution of a variety of fruit, jellies, pickles, jam and marmalade, vegetables, linens, magazines, and dishes. There were 51 contributors. Tea was also served by members of the Hospital Ladies' Aid, which was well patronized.

Mrs. W. C. Sweet convened the tea. Mrs. T. Wilks and Mrs. R. Lawrence were in charge of the dining room, and assisting with the serving were Mrs. L. Campbell, Mrs. F. D. Locke, Mrs. R. Ross, Mrs. S. Hahn, Mrs. R. Robinson and Mrs. N. C. Brown. Mrs. W. T. Hynes and Mrs. A. M. Campbell poured tea. The president, Mrs. P. C. Owen, assisted by Mrs. D. MacDonnell, received the guests. Mrs. D. F. Chisholm, with the assistance of Mrs. C. Raymond, took charge of the donations.

G. H. Brown Is Honored On 81st Birthday

On the evening of Tuesday, Oct. 25, members of the family gathered at the home of Mr. and Mrs. J. G. Douglas in honor of the 81st birthday of Mr. G. H. Brown. A delicious dinner was served and was concluded with the presentation to Mr. Brown of a birthday cake with 81 lighted candles. The happy time was spent and many will join in the good wishes extended to one of our most esteemed pioneers.

The present guests were Mr. G. H. Brown, Mr. and Mrs. William Chesson, Dean and Jean; Mr. and Mrs. J. H. Douglas, Mr. and Mrs. Norris Flewelling, son Lorne, Mr. and Mrs. Clyde Flewelling and son Bruce, Mr. and Mrs. Lyle Flewelling; Ian, Edward and George Chesson and Leonard Roberts.

Oats Yield 100 Bushels to Acre

Harvesting a yield of record proportions, C. W. Goddard threshed 551 bushels of oats from 5½ acres for C. L. Seaville of O.S. Young, who is reported this year in this district and will take some beating.

Spruceville

(From Our Own Correspondent)

SPRUCEVILLE—Mr. and Mrs. Walter Barnes, accompanied by Mrs. O. S. Young and Mrs. Laura Young, spent last Friday in Edmonton.

Mr. and Mrs. Boulter and Mr. and Mrs. Braithwaite and family motored to Humber on Sunday to spend the day with relatives.

Meeting Well Attended The U.F.W.A. meeting, held at the home of Mrs. L. I. Young, was very well attended, with all but one member being present, and some visitors. The meeting was mainly devoted to business concerning the chicken supper which takes place Nov. 4.

On Sunday Mr. and Mrs. Bob McGeachy entertained Mr. and Mrs. Bob Boden.

Friday night, Mr. and Mrs. Nelson Hall entertained Mr. and Mrs. Johnnie Huthinson and Mr. and Mrs. Dave Boden to supper.

Mr. and Mrs. H. E. Heath, Mrs. C. S. Burton were Sunday visitors at the home of Mrs. O. S. Wilks.

Spruceville Hall is now up on concrete and a porch has been built on to the southeast corner of the hall, which will be a great improvement.

The U.F.A. met at Mr. and Mrs. Barnes' house Tuesday night. The Saturday Junior meeting was postponed. The U.F.A. have now formed a study group and are taking for their first subject, "General Economics."

The three-tier cake to be raffled at Spruceville chicken supper is finished and it sure looks lovely. B. S. Cameron of Lacombe has kindly consented to display this luscious Christmas cake in his show window.

Room For Improvement

COUNCILLOR T. WILKS, at the Council meeting held at the Town Hall Tuesday night, reported on a meeting he had attended with officials of the Calgary Power Co. He stated that, although no definite promise was given, he was led to believe that the wattage of street lamps in this town would be increased at no extra charge to the town. This step comes none too soon. The street lighting of Lacombe is far poorer than in other towns of its size, and is, in fact, worse than many street lighting systems in towns of smaller populations.

If the wattage of street lamps in town is stepped up to perhaps 400 (it is at present 250) there is no doubt but that better lighting will be provided. But will the increased wattage alone be sufficient? In the residential section of the town, the increased wattage, in itself, should be sufficient. But in the downtown streets the improvement provided by the increased wattage will be insufficient to light this part of our town properly.

Dismal and murky streets are bad; they are bad for business and they are bad for automobile drivers as well as for pedestrians. The fact that the Town of Lacombe will have to provide extra money for the installation and upkeep of more street lamps is appreciated, and The Globe believes in all sincerity that such money spent would be well spent. Two or three more lamps, at the very least, are needed to properly illuminate the downtown districts. Would it not be well for the Town Council to investigate as to the exact cost?

Let's Get Acquainted

FALL is here again, and with it comes the inevitable round of auction sales and chicken suppers. This time of the year seems to be laid aside for the residents of the country to become acquainted. At these gatherings, citizens of the town and representatives of the various districts rub shoulders and sit at a common table where they partake of the same food. Merchant Jim and Farmer John confidentially tell each other of their trials, troubles and tribulations. Sympathy is expressed and a broader viewpoint of the other person's troubles is gained.

These gatherings are good for the community because they clear the air. Merchant Jim learns, possibly for the first time, exactly why Farmer John is peeved at the way things are going at the present time (and who wouldn't be, with oats at ten cents a bushel?). After Merchant Jim has sympathized with this, he tells of his troubles of ordering some goods from an eastern manufacturer for \$250, and having to sell those same goods at \$200. Farmer John expresses his regret at this, and the two men find themselves in closer contact, each appreciating the difficulties of the other.

The true community spirit is revived once again at these gatherings and they are well worth while to attend. Let's make the best of this fine fall weather—let's get acquainted.

Count Your Blessings

THANKSGIVING DAY has gone and passed this year—but the residents of Lacombe and District may continue to be thankful for their many and varied blessings. This year the farmers of the district have harvested one of the largest crop yields in years. Although the price has not been as high as it has been in the past, farmers have been able to obtain enough for food, clothing and shelter for the winter months. How much worse could be the outlook here if drought, hail or crop failure had been experienced together with the lowest price in some years.

The splendid fall weather has been conducive to farm work, and farmers throughout the district are busy these days plowing and harvesting in preparation for next year's crop. Isn't that something for which to offer our thanks? The land will be in the best possible shape for the coming moisture of the winter months.

We are far removed from the focus point of war rumors, crises and the like which have dominated world news for the past three months; we are far removed from the world of the dictators, and from the subtleties and tyrannies of such forms of government.

Possibly the greatest blessing which we enjoy in this country, and the blessing which we all take so much for granted, is the privilege of being born under the Union Jack—for that red, white and blue banner is our symbol of free thinking, free acting and free speaking. We have an abundance of blessings for which we should get down on our knees and thank Divine Providence.

Do we appreciate them?

"Municipal government is the only system on earth where you go out and pick a bunch of coast heavies, firemen, insurance agents—like myself—real estate operators, and say, 'you manage the city.'"—Mayor Hanniwell of Niagara Falls.

Through the Eyes of a Country Woman

By BRIDGET

When I hear of the Arab and Jewish troubles in Palestine, I always think of that wonderful tone-poem, "Going Home," and in my mind's eye see an endless procession of tired Jews in their long, black, greasy caftans; corkscrew curls hanging down from their dirty, grizzled heads; all very benevolent looking with their long beards, so patient looking, and bewildered. The picture I have tried to paint is that of the Polish Jew, an almost unbelievable figure in this age of progress. Anyway, this is how I would like to think of all the persecuted Jews, marching together eastwards in one long black line, to the home of their forefathers, Jerusalem. But, unfortunately, this is not the case, as they have not the wherewithal to take this long journey.

What is behind this dreadful persecution of the Jews? For the Jews to return to Jerusalem would be the fulfilling of the prophecies contained in the Bible; yet, somehow, circumstances, Jews, Arabs and British do not co-operate happily along these lines.

Why are the Germans, Austrians, Italians and now Czechs so anxious to be free of their Jews? Mainly, Jews ask only to be left alone; they mind their own business, look after their own poor, support their own churches and are very law-abiding citizens.

What have the Gentiles against them? Is it, perhaps, that they are jealous of their money-making abilities? Banking owes its inception and stability to Jews. Who does not remember the tale (true) of the famous Rothschild, who sent his five sons to start banks in different countries; today we find Rothschilds in most countries, and their name stands high in the hall of Fame and Progress.

Some of the world's greatest musicians were, and are, Jews; what madness to disown long-dead celebrities because they happened to be Jews. Among the Jews are many famous scientists and scholars, figures most countries are proud to welcome; for instance, Einstein and Feuchtwanger—and scores more that I could name.

What is the urge to participate in the 1938 sport of Jew-baiting? Where are these Jews to go? It is difficult to find a definite answer to that question, unless it be Jerusalem.

Jews in Germany, and more recently in Austria, have committed suicide by the hundreds. Not only suicide either, for they dare not leave their loved ones to the "mercy" of the Jew-baiters; for Jews are "fair game" to all in Central Europe to date. The man of the house has been forced to kill his wife and children, before himself. How could a Jew-abiding Canadian like to be faced with this decision; to see his loved ones ravished and murdered before his eyes, or murder them himself?

All Jewish property is confiscated, so how can Jews get anywhere very far away, and how can they start again? What chance has a German-born Jewish lawyer to practice law in any other country? His high birth is his only asset, due to the generosity of bands of large-hearted people that so many Jews have managed to cross the border and get to England and France. The problem of feeding and absorbing these people is going to be a very real problem to the countries in question.

Now, Canada has been asked to absorb a huge number of German-born Jews. Much as I sympathize with these unfortunate people, this country of ours, especially the West, is not the place for them. Jews, in modern times, have never been agriculturally minded, and incidentally they are not militaristic, so where could they be absorbed? I am not suggesting that all Canadians are farmers or fighters, but could the volume of business absorb all these Jews? I think business here has as many people in it as it can possibly stand today. There is land, vast acres of land yet, but Jews have no great interest in land, they are not tillers of the soil. There are many Jewish diamond merchants, but they never go seeking diamonds. In Canada today, the new Air Force being built up is absorbing many young Canadians, but it would not be a profession for Jews, as they are not fighters, although many of them served in the Great War, as good citizens of the lands of their birth. I think that the bringing of Jews into this country would only augment and aggravate our unemployment problem.

England has tried to persuade the Jews to return to their natural home, Palestine, and has held, for nearly two decades, mandatory powers over that country, in the effort to settle this problem according to race and creed. This seems the only ideal solution. Our "friends," the Italians (who signed, some months ago, a treaty with England, and more recently the now famous "Munich" pact) have been broadcasting in Arabic for months past, inciting the Arabs to revolt, and our other dear "friends," the Germans, are helping in the good work with money, etc.

That Britons are losing their lives in these Arab-Jewish skirmishes, and that Britishers (who are already nearly taxed out of existence) are being further dunned to pay for the policing of Palestine, is lost sight of in the argument as to whom Palestine rightfully belongs. It is not really British the quarrel, but it is very much to the British interest to have peace and order established in Palestine. If the Fascist nations can stir enough trouble in North Africa and Spain, they can make things very uncomfortable for the British Empire.

Really, it is amazing how Britain can spend money on other peoples' troubles and fights. After the Czech-Slovakian crisis, Britain, which had assisted in cutting up this Republic and throwing it to the dogs, announced they were considering a loan of fifty millions to rehabilitate the Czechs, and their intention of policing certain areas in the interests of Czechoslovakia. Besides these incidental expenses, there was the proposal to settle many thousands of Jews in Canada.

Many people in Canada would be glad to have "assisted British settlers" come to the West,

A LETTER FROM CLIVE

Editor, Lacombe Globe:

Dear Sir—May I be granted a small space in your valuable paper that I may correct a misunderstanding and perhaps put an end to untrue and malicious statements being at this time circulated around Clive.

There has been a rumor that my son George stole a rifle and that the police came here and took it away from him. This is absolutely untrue as my son did not steal the rifle, nor did he even find it. The fact is that a friend of his found the rifle and the two boys came to me and asked my advice as to what had better be done with it. I instructed them to take the rifle to my house and I immediately notified the R.C.M.P. at Red Deer, who a few days later came and took possession of it.

It is a pity that some people are so eager to believe any evil they hear of their neighbor, and so reluctant to believe the good. I hope that these few lines will clear up the matter and put an end to the rumors. Please accept my sincere thanks for the space you have given me.

Yours very truly,

J. H. HARROW.

Gull Lake

(From Our Own Correspondent)

GULL LAKE—A farewell surprise party was given Mr. and Mrs. Bill Leiske and their daughter, Veinola, on the evening of Oct. 19. Friends and relatives gathered about 8 o'clock to spend the evening with singing, etc. Max Gibson, who the guest and led the community singing. Following the lunch, Bob Gibson, on behalf of those present, made the presentation of two safes, Mr. and Mrs. Leiske and Veinola are leaving for B.C. after their sale on Wednesday.

Mrs. R. M. Gibson, Mrs. Wm. Burris and Mrs. Bud Wood were visitors in Edmonton recently.

They Heeded the Call
When the cry of "Fire" went up last Friday evening, many volunteers left this and adjoining districts, with speed that would put some professional firemen to shame.

Esco Moore finished a long threshing run on Friday last. The crops were in and no one is sorry but all are very thankful for the perfect weather that has prevailed since threshing began.

All good "Woodmen" should not miss the monthly meeting in Bentley, Nov. 1, about 9 o'clock. Miss Bethel Wareham is attending the Canadian Junior College again this year.

San Leiske purchased a new tiller this fall. Many farmers are interested in this new implement can do.

Mr. and Mrs. George Leiske returned last week from a motor trip to North Dakota. They report terrible dust storms there. Between Macleod and High River they encountered much snow.

but the powers that be considered the plan too costly; and there was no spare money for this scheme; but when it comes a question of some other nation's troubles, the money is apparently easily obtained. Funny, isn't it? Perhaps I do not understand "high finance" sufficiently to comprehend this "about face"; but, then, I am not a Jew.

TEES—After the recent success with getting a strong flow of water in a local well, Belknap, the well digging expert, is working hard on another well for Mr. Seal. At present he is trying to get ahead of a soft running sand condition that keeps him hustling to keep from getting his feet stuck.

A goodly number of young and older people were out Saturday leveling off the prospective rink site. Miss Putnam of the local teaching staff acted as foreman during the morning and turned it over to some of the men for the afternoon. Very little work now remains to have the site in shape for flooding. The flooding will, of course, not be undertaken until suitable weather arrives.

It is terrible when the stove calls the kettle black, especially when it all over a few pumpkins. I might be able to join the Liar's Club and I know another exaggerator who could run a close second if not a tie, and also be eligible as a member, but as for taking the championship, that would be next to impossible. The main reason is that I live in the wrong country to be the best whatever my line might be. Oh! if I could only put a little good Irish blarney into my exaggerations.

Fraser - Maude Nuptials Held At Vancouver Last Thursday, October 20

A quiet wedding of interest to many in Lacombe and British Columbia was solemnized Thursday evening, Oct. 20, in Vancouver, when Muriel Kathleen, eldest daughter of Mr. and Mrs. W. H. Maude, became the bride of Mr. Stewart Fraser, eldest son of Mr. and Mrs. Jesse Fraser of Lacombe.

Artistic disposals of lovely autumn flowers adorned the home for the six o'clock ceremony, which was performed by Rev. Fred Belton.

In the absence of her father, the bride, a graduate of St. Paul's Hospital, was given in marriage by her brother-in-law, Mr. Arthur Rastad. She chose for her wedding dress a grey tailored suit with accessories in hunters' green, her hat a high crowned fur felt model with a feather mount.

Her sister, Mrs. Arthur Rastad, was her attendant, wearing a street length trim in copper rust shade with small felt hat and accessories in matching tone. Gardenias composed her corsage. Mr. W. B. Maude, brother of the bride, attended the wedding.

A reception followed for immediate relatives and a few close friends, Mrs. Maude choosing for her daughter's marriage a burgundy georgette gown with black accessories and corsage of pink carnations.

The lace covered tea table was centered by a three-tiered wedding cake imbedded in white flowers and lighted by tall white tapers in crystal holders. Mrs. Robert Scott and Mrs. William Gray presided at the urns and were assisted in service by Mrs. W. B. Maude and Miss Hazel Melch.

Rev. Belton was proposing the health of the young couple, a congratulatory telegram was most opportunely delivered at the door from the groom's parents in Lacombe, who were unable to be present.

For their motor trip South and continuing to their home in Lacombe, the bride topped her wedding ensemble with a hunters' green coat, beaver trimmed, to the lapel of which was pinned a corsage of Italian roses and lily of the valley.

Jockey R. Young recently rode five winners on one day's card of seven horse races at a Vancouver track.

The annual service of remembrance will be conducted by the Last-We-Forget Club on Friday, Nov. 11, at 10:30 a.m. in the Memorial Park.

Mr. and Mrs. Ruark, little Doreen and Mrs. Ernie Draper returned on Monday from a week's visit with Mrs. Ruark's mother, Mrs. Redding, and her sister, Mrs. Harry Grant, at Barrhead and Fort Assiniboine, Alta. Bush fires are very bad around these districts, the visitors state.

A Maggie and Jiggs supper will be served on Saturday, Nov. 19, from 5 to 7 p.m. in the Church Hall by the W.M.S.

The Lakeside Social Workers are holding a Tea and Sale of Baking in the Church Hall, Lacombe, on Saturday, Oct. 29. Everybody welcome.

TO SPEAK HERE
Next Sunday, Oct. 30, Rev. H. D. Marr of Calgary will speak in the interests of the British and Foreign Bible Society at the Baptist and United Church Sunday Schools, separately, between the hours of 11 and 12 in the morning, and at the evening service in St. Andrew's United Church at 7:30.

At the close of the evening service a meeting of the Lacombe branch of the Bible Society will be held in the United Church, at which representatives from all the local churches are asked to be present.

In the Hospital Ladies' Aid report, published last week, a donation of three hospital gowns by the W.I. was inadvertently omitted.

Word has been received by C. D. Marble, manager of the Royal Bank here, of the appointment of his brother, D. G. Marble of Montreal, as Secretary to the Bank of Canada, with headquarters at Ottawa.

Congratulations are being extended to Mr. and Mrs. G. Edington on the birth of a daughter, Louise Jane, at their home, on Sunday, Oct. 23.

N. Jacques has returned home from a speaking tour through his constituency.

On Thursday evening a bridge club was entertained at the home of Mr. and Mrs. R. B. Armstrong. First prize was won by Mrs. C. Ray. Consolation was won by Mrs. L. Murray.

On Saturday Miss Betty Jacques left for Olds, where she will complete her course at the Olds School of Agriculture.

Miss Ruby Walters is recovering in the Lacombe Hospital from an appendicitis operation.

Born to Mr. and Mrs. C. Dermott on Tuesday, a son.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS.—Bert Fackler suffered a painful accident last Tuesday when a train he was attending bolted, pulling a wagon over his body. Upon examination, he was found to have fractured three ribs and his leg was also hurt. Mrs. Fackler also cut her hands severely during the week, but both are making satisfactory progress towards recovery.

With his threshing out of the way, George Wadey has continued his work of changing Bill's Pool Hall into a dance hall, and has been busy kalsomining it during the past week.

Mr. Crocker has been hauling logs during the past week. This week he started building a log cabin for the 300 purebred chickens he recently purchased.

The Anglican Church celebrated its annual Thanksgiving service last Sunday with a choral service. Mrs. Glasgow, at the organ, was a welcome visitor. The church was tastefully decorated for the occasion. The United Church started its Sunday School last Sunday, but the attendance was not as good as might be expected, and we look for better attendance during the coming Sundays.

Miss Elsie Walker left for Calgary on special nursing duty last week.

We regret to announce the death in Edmonton on Sunday morning of Mrs. Maud, who has been a resident of the Asphend district for some years.

The mumps have made their reappearance in the village and district, and some of the school children have been forced to remain at home, suffering from the malady.

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Everlasting Punishment." One of the Scriptural quotations in the Lesson-Sermon is Proverbs 11:5.

"The righteousness of the perfect shall direct his way: but the wicked shall fall by his own wickedness." One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is: "Every supposed pleasure in sin will furnish more than its equivalent of pain, until belief in material life and sin is destroyed."

Iowa

(From Our Own Correspondent)

IOWA.—Mr. and Mrs. E. B. Rutledge and young son of Fort Dodge, Iowa, who have been visiting in the district for the past month, returned home last Saturday by way of Edmonton and Winnipeg.

Mr. and Mrs. J. L. Booth and Mr. and Mrs. C. Laka visited in Edmonton last week.

Mr. and Mrs. John Hubbard returned home from Edmonton last Tuesday.

Norman Crooks and his father have been visiting in the community.

We are very glad to hear that Miss Agnes Key, who has been ill in the hospital, was able to return to her brother's home.

Fred Strathman has finished plowing a 60-acre field for C. B. Zille.

The Needlecraft Ladies wish to take this opportunity of thanking all those who in any way helped to make our chicken supper a success, especially those who, although not members, contributed chicken, etc., helped with the serving of the supper, selling the dry goods, also those who took part in the program. We would also like to thank the School Board for having the approach to the gate fixed in time for our supper.

Mrs. Anderson of Elkhorn was the lucky winner of the three-piece set.

Those taking part in the program were Jean Taylor, Floyd Rourke, Mrs. Morsch, Emma and Olga Lukat, Bill Whitecotton, Johnny and Evelyn Whitecotton.

Spring Valley

(From Our Own Correspondent)

SPRING VALLEY.—John Ellis does not expect to plow snow from his house to the road this year, as he has constructed a high grade cut.

Mrs. James Kirkwood, a niece of Sandy Hall, who lives in South Africa, is paying Mr. and Mrs. Hall and other Alberta friends an extended visit. We are happy that the weather man is putting on such an excellent display of weather for the benefit of Mrs. Kirkwood.

Mr. and Mrs. Charles Miller of the Joffre district left last week for a month's visit with Mr. Miller's brother near Salem, Ore.

Rev. Mr. Kettys announced last Sunday that on Sunday, Nov. 6, he expects to have with him on his different appointments as a guest preacher, Rev. Dr. Tuttle, principal of St. Stephen's College, Edmonton. Dr. Tuttle is an excellent speaker and will no doubt draw a large audience.

On Monday of this week a meeting of the 15 previously elected delegates in connection with the larger school unit was held at Spring Valley. Percy Gail and Clayton Ditzler were chosen to stand for election some time about Nov. 1. The successful man will then be one of the five trustees who will handle the major part of all school business in their division of the province.

Editor's Note.—Mr. Ditzler withdrew in favor of Mr. Gail Wednesday afternoon.

This is the last call for dinner of chicken and many other good things to eat at the hall in Spring Valley this Friday night, Oct. 28.

CALGARY. — By virtue of their 14-0 win over the Winnipeg Bombers on Thanksgiving week-end for a 14-0 point total, Calgary Bronks take a bye into the finals for the championship of the Western Rugby Conference.

After getting away to a poor start at the first of the season, the Calgary grid squad has come through in great fashion, and with their whirlwind finish found themselves perched at the top of the standing in a tie with the Winnipeg eleven, and with a by into the two-game total score final.

The Bronks have almost everything in their favor now to cop the western title, which they dropped by a close margin to the Blue Bombers at the end of last year's campaign. Well, it's good luck to you, Bronks.

In the meantime, with the smell of frost in the air, winter sport fans turn all ears to talk of hockey. Alberta's senior campaign will see new teams and new faces this season when the seven-team league goes into action this winter. Both Calgary and Edmonton have finally realized that they can't bolster two teams and expect to produce a championship squad and this year will be concentrating efforts on single entries in the league. The capital city sends forth the Eskimos as their hope and Coleman Canadians, Turner Valley Oilers, Olds Elks, Drumheller Miners and the Lethbridge Maple Leafs, as well as the Calgary six, will round out the competitors for Alberta hon-

The World of Wheat

By MAJOR H. L. STRANGE

Some time ago our Research Department compiled and published a chart showing 538 years of wheat prices.

The chart revealed a number of severe rises and falls in price throughout the year. We found that these great fluctuations always coincided exactly with great wars. We therefore set about studying all the wars that had occurred for the same period, i.e., the last 538 years, and we found some amazing things—

That the world during 538 years has only been at complete peace for 51 years. That France has been at war during the period 900 years; Russia, 261 years; Austria, 238 years; Great Britain, 232 years; Spain, 213 years; Turkey, 192 years; Germany, 187 years; Italy, 117 years; Holland, 106 years; Portugal, 40 years, and the United States, 27 years—the most peaceful country having been China.

Most of the wars were fought to obtain possession of lands that produce wheat, foodstuffs and raw materials. Then, later, other countries would arise and attempt to take those lands for themselves from those who had previously conquered them; and so it seems to have gone on and on throughout the ages.

An invariable result of war has ever been, first very high, and then very low wheat prices.

Following factors have tended to raise prices—

Rain needed in Northern Alberta; European millers desire best spring wheat to strengthen mixtures; India reluctant to sell wheat; Poland distilling rye; Norway buys Canadian rye; Belgium buys substantial quantities of U.S. wheat; France buys North African Durums.

Following factors have tended to lower prices—

Liverpool wheat stocks double a year ago; Swedish wheat crop larger than 1937; Abundant supplies of bread grain in Germany; War risk insurance on cargoes to Germany suspended; all other rates at least doubled; Ukraine and southern Russia receive beneficial rains.

Soil Erosion Faced By New Zealanders

AUCKLAND, New Zealand.

Growing realization of the problem of soil erosion in New Zealand is indicated by the appointment by the Government of a committee to consider the matter. The personnel comprises two University professors and experts from various Government departments.

Floods this year forced the country on the notice of the government. Grave damage was done in the Hawkes Bay district; one very fertile and old-settled valley was devastated by flood waters covering fields with silt and banking it up against houses.

As yet the Calgary team has to select a name.

Johnny McGeehan of last season's champion Smoke Eaters didn't make the grade with the Maple Leafs of the N.H.L. He will return and take up duties with Coleman in the Alberta Senior League. . . . Gabby Hartnett has been 17 years a backstop. . . . Toni Canzoneri is still trying a comeback—won't he ever get enough? Last-Minute Flash: Here's the way they deal with the divot situation on a golf course in Melbourne, Australia. Players when testing off purchase a small bag of grass seed for the price of 6 cents and are instructed to scatter seed around the divot when it is replaced. It may be a seedy idea, but it's worth a try.

Clive

(From Our Own Correspondent)

CLIVE. — Donald Ditzler has left for Olds to attend Agricultural College. Lyall Koehler is also attending that school.

The sale of the late Mrs. Sarah Dean was held in Clive on Saturday afternoon. The auctioneer was Harry Williams.

Glen Morrill and family left for the Cariboo country in B.C. A farewell party was held in the Oddfellows' Hall for Mr. and Mrs. Wilfred Brown. The party was put on by the Oddfellows, who presented Mr. Brown with a gold pin, made of the Three Links. The evening was spent playing whist; Mrs. D. Hudkins won the ladies' first prize, Jean Duffy the consolation; Jim Thomas won the gentlemen's first and Norman Morrill the men's consolation. Refreshments were served by the Oddfellows' wives.

Mr. and Mrs. Wilfred Brown are leaving shortly for British Columbia, where they will make their home.

Choir practice was held in the Clive United Church on Wednesday evening. Miss Dorothy Allison is the choir leader and pianist.

Successful Dance Held

The dance here on Wednesday night was a huge success. A large crowd attended.

Quite a large number of people drove out to the Westing Hall to the shower given recently for Dorothy Forcht.

John Morton's electric razor is still creating a lot of disturbance on town roads. We radio lovers extend our sincerest hopes that the novelty will soon wear off and that John will shave when the political speeches are in full swing, instead of "Hollywood Hotel" or the Lux hour.

The weekly church service was held in the Clive United Church and was followed by the Lord's Supper.

A Board Meeting was held in Clive United Church on Monday afternoon.

Mr. and Mrs. Shannon and daughter of Saskatchewan are in Clive visiting Mr. and Mrs. G. Reed.

Correcting a recent report of the death of the late Mrs. S. C. Dean, those left to mourn her loss were: Two brothers, Donald Hartle of Minden, Ont., and Alex Hartle of Myrtle Point, Oregon, and one sister, Mrs. James Scott of Millbrook, Ont., also a brother-in-law, George A. Hartle of Clive, and several nieces and nephews.

Housing Demands Press in Tasmania

HOBART, Tasmania.

Owing to industrial development, Tasmania is faced with a shortage of houses to accommodate the increasing population. The shortage is aggravated by the progress in standards and by the condemning of houses in city areas under order of health officers. Builders are working at full pressure, and still the demand is not being met.

Under the Home Act, which is administered by the Agricultural Bank, workers with an income of less than £400 a year are enabled to build their own houses on easy terms; but there are

many who are unable to take advantage of this Act, and to help them, the Government proposes to introduce legislation which will make even easier terms available.

Lincoln

(From Our Own Correspondent)
LINCOLN.—Mr. and Mrs. Burton, Mr. and Mrs. Harry Muncie and son, and Mr. and Mrs. L. Sever of Ponoka spent Sunday at the home of Mr. L. Matheson. Burton Clark was elected as president of the Club and Ernie Halton, secretary-treasurer. Dues were set, and it was decided that club membership would be open to all persons 15 years of age and over who are interested in aeronautics.

The C.C. Club is holding its meeting at Lincoln Hall Wednesday, Nov. 2. We would like all ladies in the community who are interested to please attend, as we want to arrange for our chicken supper.

Mrs. D. Thomson of Winnipeg is spending this week as the guest of Mr. and Mrs. H. R. Dool. Miss Doris Bradley, who had her tonsils removed on Monday last, is recovering nicely.

A number of Lincoln folk attended the chicken supper at Iowa.

Mr. and Mrs. Lee Smith and family, also Ab Saunders and family, spent Sunday with Mr. and Mrs. Bert Bradley.
